

REACHING & TEACHING

INTERNATIONAL MINISTRIES

About Reaching & Teaching

Reaching & Teaching International Ministries exists to reach the peoples of the world through evangelism and by meeting the great need for deep discipleship, pastoral preparation, leadership training, and theological education around the world.

Today, Reaching & Teaching works in more than 10 countries. Our purpose is to provide training to pastors and leaders. Solid theological formation is offered without the need to move or live near a traditional seminary.

Our Program

Our program consists of nine modules with each module having three parts.

Hearts (Christian Character)

- Spiritual Disciplines and Character Formation

Heads (Christian Conviction)

- Theological Disciplines

Hands (Competency for Christian Ministry)

- Practical Ministry

Normally these modules are taught over a weeklong intensive training with the goal of 25-40 hours of instruction. One module is taught about every three months with the goal of teaching all nine modules over three years.

Our Professors

Each module is taught by a qualified professors that are familiar with the material. These professors come from Reaching & Teaching or churches in various locations. Each professor covers the cost of their travel and others fees.

The Cost

There is no costs for our training. However, we require the following from every participant:

- Attend each training and seek to learn more about God and his word.
- Teach others what you are learning (2 Timothy 2:2).

Each participant is responsible for the cost of their travel (if necessary) and food. Sometimes, a church or group who organizes the training will help with the costs or provide meals during the training.
